

H2PV 2020

Hydrogen Composite Pressure Vessel

and Storage System Symposium

3rd-4th June, 2020

1 bis, rue de la prefecture, Tours, France

<http://h2pv.org/>

Organized by :

H₂ Composite High Pressure Vessels & Equipments Conference

- . Materials
- . Design
- . Conformable, Type V
- . Finite Element Analysis
- . Processes
- . CPV Manufacturing
- . Instrumentation
- . Balance of plant (BOP), Storage system
- . Testing
- . SHM, Inspection
- . Safety and Certification
- . Refueling Stations, Fast filling
- . Tank integration into vehicles
- . Demonstration, Deployment
- . Market

Sponsored by :

ARD Lavoisier
